

RUE AMOR TIME FOR MAIL

Antonio Amoruso

Alysia, one of today's top popstar, is in Rome for a concert. A few days before the show, Alysia meets one of his fans, Gianfranco, who claims to know her father. She also meets a little girl, Jeanna, who sneaks in the suite where Alysia is staying. Alysia will find out that those were not random encounters, but they were rather planned by a weird white bearded guy, Ben. Why? To what end? Everyone will be on the lookout for the mysterious figure, also benefitting from the help of a detective. He will follow a lead suggested by the little girl and investigate in the hobo world. A great modern fairytale for young adults and adults, too.

Pages: 390 (14x21)

Price in Italy: € 14,00

ISBN: 9788864590332

NOTES - Already published in Italy - RUE AMOR TRILOGY

The title makes reference to the famous 1980 French movie "La Boum", known in Italy as "Il tempo delle mele" (time for mail).

Antonio Amoruso makes an error of youth: he majors in Engineering. This wretched deed will draw him away from his passions for years: writing and composing music. For two decades, misguided by his degree, he works for companies that don't need his creativity. He survives, becomes a freelancer, and gives birth to the most extraordinary character that a human mind has ever produced: Ben. He writes novels and theater scripts. He is the author of the successful trilogy "Rue Amor" with "Time for mail", "Diamonds from Babington" and "While we wait for Alysia".
