

1001 MESSAGES FROM THE UNIVERSE. A MESSAGE FOR EVERY NUMBER

Luca Carli

This book leads you to discover your true self, beyond what they made you believe you are. Start looking at the things surrounding you as if they were messages from the Universe.

If you have this book in your hands it means that you are looking for answers. You know that there's something within you that you haven't brought out yet, and numbers can help you on several occasions, if you acknowledge them as ancient symbols that address You directly.
