Klaus Eisenberg was a Secret Master of The Ammonius Order. He was born in Westfalia to a Jewish father. The family moved to Italy after World War II: they stayed in Rome and then in Naples. He kept a very low profile, hiding from the public because he was the depositary of great knowledge and power. He was the Master tasked with the teaching of the mysteries of the Transmutation Magic. He was, after Master Antonio, Riccardo Villanova MRA’s master, to whom he bestowed, in 2008, the complete body of the practices of Transmutation Magic and Enoch Magic according to the Ammonius Order. He was 96 years old at the time, as he was born in 1912. Master MRA met him in 1981 when he was sent to him as a 17-year-old kid by his first Alchemy Master, in order to study the mysteries of Transmutation Magic. He was his disciple for 27 years, grasping every secret he shared through hazing. Today he’s the only depositary of this Great Secret Master’s knowledge.
