

## THE SACRED FEMININ IN KABBALAH EVA'S REVENGE

**Marina Busetto**

This work aims to reveal humans' inner potential to communicate with the Divine, after undertaking a developmental spiritual journey of self-awareness. The communication with the Divine is on an equal footing, since we've been created in his image and likeness, as it's stated in the Bible and in the Torah. Furthermore, the book highlights the role that humanity should have in Creation. It also points out some female aspects of the Divine. In this study the role of the Feminin in shaping consciousness and in the contribution of "Sophia" to humankind is re-evaluated: a new Kabbalistic interpretation of Eva will be given. Here the three quintessential initiatic questions will find an answer: Who we are, Where we came from and Where we are going.
