

LOVE AND MUTUALITY. A PHILOSOPHICAL JOURNEY BETWEEN REALITY AND THE UNATTAINABLE

Annalisa Caputo

Does mutual love really exist? And if it exists, is it possible to “convey” it with words? These pages are a two-fold challenge: writing about love and explaining how to obtain it. Mutual love, always so coveted and dreamed of. Through a series of philosophic and poetic examples, this book leads the readers to delve within themselves and examine their personal relationships.
