

COME AWAY

Nicola Viceconti

A ticket found in the pocket of an old coat leads Franco Solfi, an 80-year-old man disenchanted with the communist ideology, to go and look for Irina, the woman he always loved. Through a seventy-one days journey that takes him across two continents, the protagonist looks deep within him and rethinks about the steps he took: he pieces together his life, filled with beliefs, illusions, ideological choices and diversions. Already published in Italy and in Spain, and beloved by readers and critics. “Come away” is a novel about love, hope and freedom.
