NICOLA FIORIN

Nicola Fiorini is an Italian writer and a criminal lawyer. He is the author of the successful novel "Lentamente Muore".

HOW TERRIBLE OUR FATE IS

Nicola Fiorin

Two women belonging to a wealthy family of industrialists are found murdered in a park beneath the castle of Brescia, and soon the alleged murderer is identified: he is an illegal immigrant with a record for drug dealing. The press defines him as the "perfect culprit": it's a case that requires very little effort by the plaintiff's attorney Angelo Della Morte, but one that would reward him with great fame.

However, what looked like an easy task, proves to be dangerous ground: several mysteries lie behind the two women's family.

In the shadow of the patriarch Amedeo, despotic and ruthless, there are a shrewd lawyer, an ambiguous assistant who never takes off her shades and the two children of the old man, one of whom is illegitimate.

The lawyer will realize that he has to look for the solution of the case through the folds of lives that hide a deep despair, secrets, and appearances that need to be kept up no matter what.
